### Public Consultation – Response

Dear Sir/Madam,

The Transport and Mobility Forum, Cork (TMF) is a representative group of organisations who have a common interest in sustainable travel \*. The TMF fully supports sustainable modes of travel measures and policies. Sustainable and Active Travel (walking and cycling) helps reduce congestion on roads, improves air quality, supports a low carbon economy, reduces noise pollution and improves public health.

SDGs, ...

### General Considerations

We support this proposed scheme as it will improve the safety, accessibility, and desirability of this section of road for pedestrians and cyclists, in particular.

Should you require any clarifications, please email me at [tmfcork@gmail.com](mailto:tmfcork@gmail.com) .

Kind regards

*Dr Darren McAdam-O'Connell* (chair)
