Public Consultation – Response

Section 38 - Proposed Safe Routes to School Zone, Casement Road (L 2031-0), Bandon Co Cork

Dear Sir/Madam,

The Transport and Mobility Forum, Cork (TMF) is a representative group of organisations who have a common interest in sustainable travel *. The TMF fully supports sustainable modes of travel measures and policies. Sustainable and Active Travel (walking and cycling) helps reduce congestion on roads, improves air quality, supports a low carbon economy, reduces noise pollution and improves public health.

SDGs, ...

General Considerations

We support most strongly this proposed scheme as it will improve the safety, accessibility, and desirability of this section of road for pedestrians, cyclists, and students, in particular.

We would particularly like to support and praise the appropriate use of shared space and the care taken to ensure an attractive and desirable public realm is incorporated into this scheme.

Should you require any clarifications, please email me at tmfcork@gmail.com .

Kind regards

Dr Darren McAdam-O'Connell (coordinator)
