### **Public Consultation – Response**

## **Proposed Traffic Control Measures at R-619 Aghabullogue GAA Complex, Coachford, Co. Cork.**

Dear Sir/Madam,

Thank you for giving the general public and stakeholders the opportunity to feed into the Proposed Traffic Control Measures at R-619 Aghabullogue GAA Complex, Coachford, Co. Cork. The Transport and Mobility Forum, Cork (TMF) is a cross-sectoral representative group of organisations who have a common interest in sustainable travel \*. The TMF fully supports measures and policies promoting sustainable and active travel. Sustainable and Active Travel (cycling and walking) help to reduce congestion on roads, improve air quality, support a low carbon economy, reduce noise pollution and improve public health.

As such it is the TMF's aim to support the UN's Sustainable Development Goals, in particular SDG 3 (Good Health and Well-Being), SDG 11 (Sustainable Cities and Communities) and SDG 13 (Climate Action).

## Transport & Mobility Forum

### **Overview**

We broadly support this proposed scheme, as it will reduce speed and therefore improve the safety, comfort, accessibility, and desirability of this section of road for pedestrians, in particular. We would also have liked to have seen or to see in the near future further provision for cyclists and pedestrians in the village as well as ideally a 30kph speed limit.

We would be obliged to further participate in the discourse and planning processes around active travel schemes as we feel that TMF can provide valuable input into the process. Please do not hesitate to contact us at any time at [tmfcork@gmail.com](mailto:tmfcork@gmail.com).

Kind regards

*Stephan Koch*

Transport and Mobility Forum – Acting Chair

*Darren McAdam-O'Connell*

Transport and Mobility Forum – Coordinator
